Tough Truck Rules

- Competition is open to any 4,6, or 8-cylinder car, truck, van or SUV.
- Roll Bar/Roll Cage is highly suggested, but not required for any hard-top vehicle.
- Any soft top or open top vehicle must have an approved roll bar/roll cage.
- All open body vehicles must have driver side safety net.
- All open body vehicle drivers must wear a 5-point safety belt system with either arm restraint safety straps or you must have covering around driver to contain hands/arms during a roll-over.
- Seat belts (both lap belts and shoulder strap) required and must be worn.
- Drivers and Crew Members (Participants) must be at least 18 years old.
- Drivers must have a valid driver's license.
- Driver must wear DOT approved full-face helmet. Strap must be fastened.
- Driver must wear long pants and long sleeve shirts. No open footwear allowed. Fire retardant jackets, pants, shoes & gloves highly recommended.
- Neck braces are highly recommended.
- If you hit or run into any wall or fencing on the track, you are disqualified.
- No drugs or alcohol allowed on the grounds. Zero tolerance!
- Idle speed is mandatory at all non-competition times, this includes any time in the pit area, entering, and leaving the track. Any "hot rodding" will not be allowed and is grounds for immediate disqualification.
- All official decisions are final.
